June 2010

## **IBM QCC Sydney Chapter Newsletter 2010/2 – June 2010**

### **Welcome**

Welcome to the 2010 winter edition of the Sydney Chapter QCC Newsletter. Full details of the 2010 program are included at the end of the newsletter.

### **John Harvey gets a “gong” in the Queen's Birthday Honours List**

Congratulations to John on the award of the AO (Officer of the Order of Australia) in the Queen's Birthday Honours. John received his award for distinguished service to the information technology industry, particularly through developing partnerships with government and educational institutions, and to the community. John joins a select group of our members with awards.

### **July Quarterly Dinner**

The invitations will be arriving soon for our next dinner. The dinner will be at Il Bolognese on July 6<sup>th</sup>. We have decided to break way from the usual format and instead of a speaker we will hold a trivia competition. Suggest you start forming your team. There will be prizes for the winning team.

### **Weekend Away**

Planning for the 2010 weekend away is progressing well. As recommended in your survey responses the location this year will be Canberra. Details will be published soon. The dates are September 10 to 12. We would appreciate hearing from you if you plan to attend the weekend away. Having an approximate idea of the numbers helps our planning and bookings. We will ask you to confirm at a later date. Could you please email [qccsyd@au1.ibm.com](mailto:qccsyd@au1.ibm.com) if you plan to attend. Floriade opens in Canberra on Sunday September 12 so the weekend away will allow you to visit Floriade on opening day.

### **Annual Dinner**

It is with great pleasure that I can confirm that the Annual Dinner will be on again in 2010. Please mark November 5<sup>th</sup> on your calendars. The venue will again be Rosehill Racecourse and invitations will be sent out in September.

### **Survey**

Thank you for your feedback. It has already helped us plan our program. Please send suggestions for events at any time by email to [qccsyd@au1.ibm.com](mailto:qccsyd@au1.ibm.com)

### **Web site**
